

## BACKACHE IS DISCOURAGING.

But Not So Bad If You Know How To Reach the Cause.

Nothing more discouraging than a constant backache. Lame when you awaken, pains pierce you when you bend or lift. It's hard to work or to rest. Backache often indicates bad kidneys. Brattleboro people recommend Doan's Kidney Pills. Read this case:

O. P. Bailey, 108 Canal St., Brattleboro, says: "I suffered from backache and dull pains over my kidneys. In stopping or lifting, sharp pains would catch me and I could hardly straighten again. The kidney secretions gave annoyance by their too frequent passages. Doan's Kidney Pills, procured at the Brattleboro Drug Co., removed the pains, regulated the action of my kidneys and improved my general health."

## PERMANENT BENEFIT.

OVER TWO YEARS LATER, Mr. Bailey said: "I haven't had any kidney trouble for over a year now, thanks to Doan's Kidney Pills."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Bailey has twice publicly recommended. Foster-Milburn Co., Props. Buffalo, N. Y.

## THE PENNANT RACES.

Detroit Cuts Sox Lead While Braves Are on a Climb.

Boston's lead over Detroit in the race for the American league bunting can be figured only in fractions, for the Tigers' victory over New York yesterday wiped out most of the half-game difference between them and the Red Sox. The latter retain first place because having played fewer games, their percentage is slightly higher than Detroit's. Boston was idle yesterday and has 19 more games to play, while Detroit has but 15. Chicago won from St. Louis and holds third place, a game and a half behind.

Boston made a material gain in the National league chase. The Braves' double victory over Chicago while Brooklyn lost to Pittsburgh cut down the Robins' lead over Boston to one and one-half games. The Phillies, in second place, broke even and also gained half a game on Brooklyn, now being half a game from the lead.

## Sporting Notes.

The reconstructed Giants have won eight straight games.  
Cleveland with a bunch of rookies defeated Mack's college boys.

Marionville was back in the game for the Braves yesterday. He got a triple and a double in the first game and three singles in the second. He fielded sensationally.

Another of the Goddard seminary stars has been called to the big league. He is Arthur J. (Marty) Shay, who is a shortstop. He will report to Miller Huggins of the St. Louis Nationals. If he comes anywhere near the record of Witt he will be able to stick.

Group of pretty girls in Everywoman, Henry W. Savage's great dramatic spectacle. Auditorium Saturday, September 16, matinee and night.

The puzzling nature of the dramatic spectacle, Everywoman, with its vast display of scenery, its special augmented orchestra, and its dramatic ensembles of over 50 people, will be made clear at the Auditorium Saturday, matinee and night, when Henry W. Savage will offer his massive production for the first time here. "It partakes as an entertainment of the form of grand opera, musical comedy and drama," says the

management, "but it is a clever admixture of the whole, and while it amuses it has a deep moral lesson and instructs as well."

"It has an engrossing story, telling of the adventures that befall a young and beautiful woman of our day who sets out from her home in search of love. Her quest leads her into strange places. At one time she is behind the scenes of a metropolitan theatre, herself the leading actress, a petted fa-

vorite; at another she is holding high carnival in her sumptuous apartment at midnight, the toast of the hour, surrounded by her worshippers and satellites; at a still later period she has paid the toll for her dissipation and alone and friendless she wanders the city's streets at midnight on New Year's eve. "The production is on a huge scale and no expense has been spared either in the effects employed or in the selection of a company."

Large Number at Field Meeting.

A large number attended the Cheshire County Farmers' association field meeting held on the farm of Clifford D. Stearns on the Brattleboro road Monday at 2 p. m. The two soy bean demonstration plots came in for much attention and the value of this crop was interestingly told by Prof. Prince and Prof. M. C. Wilson of the state college. Several farmers brought samples of soil for testing in the Truog soil tester, with very beneficial results. The canning demonstration for women given by Miss Calkins, the woman county agent, was very instructive and much appreciated.

It is rumored that a bear has been roaming about between this place and Brattleboro. It is about time for a wild animal to appear; heretofore it generally has been a wildcat, with headquarters near the watering trough hill, whose shriek once on a time proved to be two young men from this village hidden in the bushes. People heard the wildcat that night without a doubt in their minds.
